Leto Outdoor Wall Light with PIR Sensor, Stainless Steel

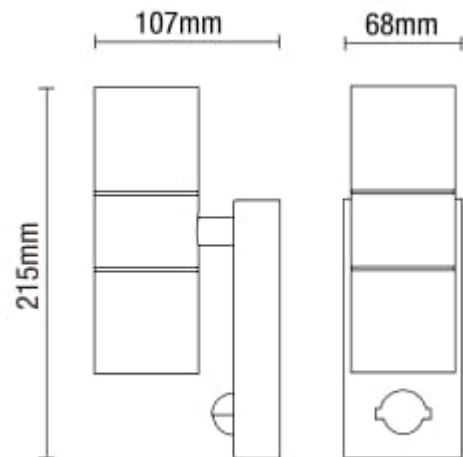

ZN-29179-SST-65

The Leto 2 Light Outdoor Wall Light with PIR Sensor combines style, practicality, and enhanced security for your outdoor spaces. Its integrated motion sensor (PIR) activates the lights when movement is detected, providing a reliable lighting solution for pathways, porches, or entryways. The Stainless Steel finish gives the fixture a modern, high-end appearance, blending seamlessly with contemporary exteriors. With dual light outputs, this fixture ensures ample illumination, creating a safe and well-lit environment. Its IP65 rating guarantees protection against outdoor weather conditions, making it a durable and dependable choice.
