## Leto Outdoor Up or Down Wall Light with PIR Sensor, Black

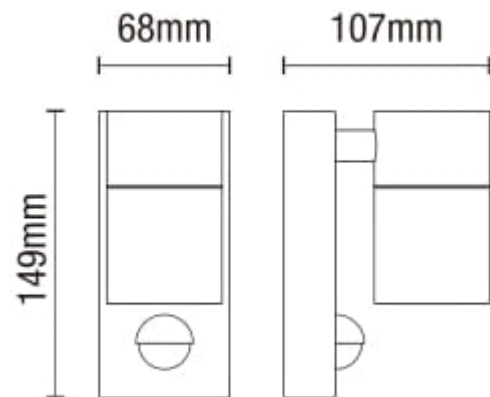

**ZN-37938-BLK-65**

The Leto Outdoor Up or Down Wall Light with PIR Sensor combines sleek minimalism with practical functionality, making it a perfect choice for your porch or entryway. Its black finish offers a contemporary and understated look, while the IP65 rating ensures reliable water resistance against harsh outdoor conditions. Equipped with a PIR motion sensor, this light automatically activates upon detecting movement, enhancing security and convenience. Its versatile design allows it to function as either an up or down light, adapting to your preferred style and lighting needs.
